---

Looking at probably a 1:30ish arrival. The event will include the signing of two EOs that will modernize regulations and encourage growth in the energy sector. I can follow-up when I have more details. You will also receive more guidance tomorrow.

Morgan

Morgan, thanks for your email. The AG is available to attend. Any details you could get me about the logistics and substance of the event would be incredibly useful. Thanks again.

Zina –

President Trump will be in Crosby, TX on Wednesday afternoon for an event on energy infrastructure and economic growth. Is the AG available to attend?

Thanks!
